She is a half sister to Les Mathers' Leveldale Peerless. She stood second in a very strong summer yearling class in the 1964 Illinois State Fair. We feel this is one of the best females we have ever produced. She sells bred to Leveldale Princes on April 1, 1965, and will calve approximately a month after the sale. She sells heavy with calf to the service of Calrossie Guthrie, pasture bred after Feb. 1. The calves by Guthrie really look great. The boys' show herd in '66 will all be by him. They had two winter calves by him out this year, a January bull calf and a December heifer. In seven times in the show ring they won first seven times. Examined and safe in calf. Tested clean and vaccinated for bangs. Vaccinated for leptos.
